**GOOD NEWS!**

## Net Metering/Rate Case Update (pt. 1)

The PSC's decisions on the Madison Gas & Electric (MGE) docket were made on **Friday**. Here's what you should know:

- MG&E's "half-hearted" proposal to overhaul net metering was **REJECTED!**
- Originally asked for 7.3% increase in rates over the next 5 years - increase will be limited to 5.7%

This is a tremendous win! We expect that the PSC will make its decisions on the WPL (or Alliant Energy) case this Thursday - **stay tuned!**

# Net Metering/Rate Case Update (pt. 2)

*Our work as an intervenor in these cases has been critical - but what does an intervenor even do?  
And who helped us do it?*

## **Our Representation**

Dan Gustafson, *Senior Staff Attorney*

### **MGE [ Docket: 327-UR-125]**

1. MGE Testimony: [Greenler](#) & [Hachten](#)

### **WPL/Alliant [Docket: 6680-UR-124]**

1. WPL Testimony: [Greenler](#) & [Hachten](#)
2. [WPL Initial Brief](#)
3. [WPL Reply Brief](#)

*HUGE thank you to Attorney Dan Gustafson for the incredible support he provided throughout our intervention, and to Dr. Liz Hachten for her energy equity work, brilliant testimony, and invaluable contributions to both cases!*

Let's take a moment to take 2 deep breaths together and reflect on our ties to this land we live on.
